**SAGE REFERENCE'S NEW *ENCYCLOPEDIA OF BUSINESS ETHICS AND SOCIETY*  
EXAMINES ALL DIMENSIONS OF COMMERCE**

*Los Angeles, London, New Delhi, and Singapore (March 15, 2007)* – ...Enron...Martha Stewart...Whistle-blowing... The field of business ethics has attracted intense public scrutiny recently with issues such as: executive compensation, honesty in accounting, transparency, treatment of stakeholders, and respect for the environment. But these issues are not new. They are just a few of the perennial questions accompanying human economic activity.

SAGE Reference's comprehensive new *Encyclopedia of Business Ethics and Society* explores the entire range of interaction between business entities and the societies in which they operate.

Encompassing both theoretical and practical concerns, 900 expert-written A-to-Z entries feature broad coverage of corporate social responsibility, while examining:

- crucial topics, such as justice, freedom, stakeholder theory, and regulation.
- key people in the field
- the nature and function of various organizations
- the contribution of business to society and culture
- the relationship of business to the quality of the environment

A premier reference tool for all public and academic, as well as corporate libraries, SAGE's *Encyclopedia of Business Ethics and Society* will be invaluable for students, scholars, and practitioners in all fields related to management, psychology, sociology, communication, political science, and philosophy.

Editor **Robert W. Kolb** is an independent author and consultant who was formerly a professor at the University of Colorado at Boulder.

**SAGE Publications** is a leading international publisher of journals, books, and electronic media for academic, educational, and professional markets. Since 1965, SAGE has helped inform and educate a global community of scholars, practitioners, researchers, and students spanning a wide range of subject areas including business, humanities, social sciences, and science, technology and medicine. A privately owned corporation, SAGE has principal offices in Los Angeles, London, New Delhi, and Singapore. [www.sagepublications.com](http://www.sagepublications.com)
