THE PRESIDENTS, FIRST LADIES, AND VICE PRESIDENTS**

Los Angeles, London, New Delhi, Singapore and Washington DC (March 3, 2009) — CQ Press is pleased to announce the release of the newest edition of its best-selling reference, ***The Presidents, First Ladies, and Vice Presidents: White House Biographies, 1789-2009***. Highlighting the private and public lives of the most celebrated figures in U.S. politics, the newest quadrennial edition of this engaging and informative guide is updated to include our new president, Barack Obama.

Written in a straightforward style that will appeal to everyone from high school students to presidential historians, this volume features biographies and photos of every president, vice president, and first lady. The biographies take a close look at the personal dimensions of these public figures, including information on their early and post-term lives, as well as noteworthy events that occurred while in office. Accompanying essays explore the daily life of the president, from meetings in the Oval Office to leisurely activities and entertaining at the White House.

The 2009 edition of ***The Presidents, First Ladies, and Vice Presidents*** includes new and original biographies of President Barack Obama, Vice President Joe Biden, and First Lady Michelle Obama, as well as updated biographies of former president George W. Bush, former vice president Dick Cheney, former president Bill Clinton, and now secretary of state Hillary Clinton. A summary of the 2008 presidential election discusses its racial and gender ramification for American society.

Previous editions of this introductory reference have been exceptionally popular in school and public libraries, and the latest edition should find a home in every library collection in the United States.
