If a SWOP-certified proof is not supplied, then the publisher cannot guarantee correct reproduction of color. Any omissions or color deviation from a submitted proof, other than a SWOP-compliant proof, will not warrant compensation to the advertiser.
- **B&W Ads:** A hard-copy proof the same size as the digital art must be supplied with the final digital file.

For detailed instructions on file preparation, please log on to <http://dx.sheridan.com/>. We recommend that all advertisers pre-flight their ads prior to submission to publisher to check for errors. If you do not have pre-flight software, then you may use the free pre-flight at: <http://dx.sheridan.com/connect/main.html>.

File Submission Instructions:

Please supply files on one of the following media: CD-ROM or e-mail. Please include a SWOP-certified proof with your digital submission. If e-mailing artwork, then send the proof in a separate package in the mail.
