Sage is committed to upholding the integrity of the academic record. We encourage authors to follow Sage's Publication Ethics Policies and the Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals formulated by the International Committee of Medical Journal Editors (ICMJE).

These resources describe ethical conduct and publication requirements for authors and editors to uphold accuracy, transparency, and disclosure – **including authors' appropriate disclosure of AI use as well as a list of prohibited uses of AI**.

Sage Publishing disseminates high-quality research and engaged scholarship globally, and we are committed to diversity and inclusion in publishing. We encourage submissions and peer review from a diverse range of authors and reviewers from across all countries and backgrounds.

Authors should familiarize themselves with Sage's Accessibility Guidelines to ensure their manuscripts meet recognized accessibility standards.

We encourage authors to refer to the Committee on Publication Ethics' International Standards for Authors.

This Journal is a member of the Committee on Publication Ethics.

Key information

Access: Open Access
APC: See article processing charge information below
Accepts preprints? Yes
Identity transparency: Single anonymized

High-quality editing service: Every manuscript provisionally accepted by the Editor-in-Chief will receive a high-quality edit. This will follow a standard editing approach that focuses on clarity, grammar, structure and follows the style guide of the journal. This level of editing is ideal for ensuring readability and correctness of your published paper.

Please note that this journal is online-only and does not offer print copies.
