Aims & Scope

Published in association with the American Rehabilitation Counseling Association, Rehabilitation Counseling Bulletin (RCB), an international journal, features articles important to rehabilitation counseling practitioners, whether in counseling, education, or research settings. RCB’s insightful book reviews and test critiques help inform both research and practice. Article topics cover a wide range—from ethical dilemmas related to counseling clients with HIV/AIDS to the training needs of rehabilitation counselors. Special series focus on specific issues, such as race and rehabilitation services.

Published Quarterly

ISSNs
Print: 0034-3552
Electronic: 1538-4853

Types of Articles
- Original Empirical Research—both quantitative and qualitative
- Essays of a Theoretical Nature
- Methodological Treatises
- Comprehensive Literature Reviews
- Intensive Case Studies
- Research Critiques
- Brief Reports—reports of research projects or program innovations of 700 to 1,000 words

Other types of contributions that may be considered include articles that explain an innovative technique or application, point-counterpoint debates on a current controversy challenging the profession, or insightful essays on an important issue.

Manuscript Requirements
All manuscripts must be prepared according to the guidelines of the Publication Manual of the American Psychological Association (6th ed., 2009) and the Editorial Policy of the journal. Fifth edition examples may be followed for material not covered in the sixth edition.

Submitting a Manuscript
Rehabilitation Counseling Bulletin uses an online manuscript submission procedure. This Web-based system, ScholarOne Manuscripts:
- streamlines the submission process,
- allows authors to check on status of submission
- notifies authors via e-mail about decisions on manuscripts, and
- provides a way to submit requested revisions quickly and easily.

No need to make multiple photocopies or provide files on a disk.
