About the Author xi
Acknowledgments xiii
Preface xv

Chapter 1: Feminist Theory and Survey Research 1
  Introduction 1
  What is Feminist Research? 4
    Feminist Theory and Survey Research 6
  What Is Multiracial Feminist Theory? 12
    Multiracial Feminist Theory and Survey Research 15
  Organization of the Book 17

Chapter 2: (Inter)Disciplinarity in Feminist Survey Research 19
  Introduction 19
  (Inter)Disciplinarity in Feminist Survey Research 21
    Finding Feminist Survey Research 22
    Analytic Strategy 23
    Is Feminist Dialogue Structured by Disciplinary Boundaries? Assessing Citation Patterns 24
    Are Feminist Methods Structured by Disciplinary Boundaries? Assessing Survey Research Methods 28
  Re-thinking Survey Research With Multiracial Feminism 36
    Secondary Data Analysis of General Surveys 36
    Primary Data Analysis of Issue-Specific Surveys 38
    Primary Data Analysis of Particularistic Surveys 39
    The Compounding Effects of Disciplinarity 41
  Conclusion 42
Chapter 3: Analytic Interventions of Multiracial Feminism:
Measuring and Modeling Sexism With an
Intersectional Approach

Introduction 45

Situating Gender Discrimination and Harassment Within a Multiracial Feminist Framework 46
Measuring Gender Discrimination and Harassment 50
  The Schedule of Sexist Events 50
  The General Social Survey 56
  AAUW: Drawing the Line 58
Re-modeling With Multiracial Feminism: Making the Most of General Surveys 63
  Disaggregating Data to Highlight Difference 65
  Creating Models That Reflect Diverse Experiences 68
  Situating Gender Within a Broader Social Context 75
Conclusion 78

Chapter 4: Further Re-modeling With Multiracial Feminism:
Highlighting Interactive Effects of Race, Ethnicity,
Age, and Gender

Introduction 81

Situating Racial Discrimination Within a Multiracial Feminist Framework 82
Re-modeling With Multiracial Feminism: Making the Most of Multiple Measures 85
  Disaggregating Data to Highlight Difference 88
  Creating Multiplex Models via Split Samples 93
  Creating Multiplex Models via Interaction Terms 97
Conclusion 101

Chapter 5: Complicating the General With Narratives of the Particular: Analyzing “Feminism” With a Multiracial Feminist Approach

Introduction 105

General Narratives of Feminist Identities, Attitudes, and Political Generations 107
Complicating the General With Multiracial Feminist Theories 108
  Situating Feminism Within a Multiracial Feminist Framework 109
Re-modeling With Multiracial Feminism: Making the
Most of Particularistic Surveys  112
Disaggregating Data to Highlight Difference  113
Creating Multiplex Models via Multinomial
Logistic Regressions  117
Situating the Particular Within The General
to Highlight Relationality  124
Conclusion  125

Chapter 6: Multiracial Feminism and Survey Research:
Re-thinking the “Impossibility of Coherence”  127
Introduction  127
Multiracial Feminism and Survey Research: Suggestions
for Moving Forward  129
Evaluating Measures: How Can Multiracial
Feminism Help Us Better Understand
Existing Measures?  131
Designing Surveys: How Can We Balance the
General and the Particular?  132
Constructing Multiplex Models: How Can We
Construct Models That Convey Multiple and
Diverse Stories?  134
Moving Beyond Essentialist Interpretations:
How Can We Employ Dummy Variables
While Simultaneously Refusing Essentialism?  137
Re-thinking Our Aims: What Is Post-Positivist
Survey Research?  138
Expanding the Field of Critical Research:
How Do We Move Across Disciplinary
Boundaries?  139
Conclusion  141
