Journalism & Mass Communication Quarterly (JMCQ) is the flagship journal of the Association for Education in Journalism and Mass Communication (AEJMC). It is a quarterly, peer-reviewed ISI-ranked journal that focuses on research in journalism and mass communication. Established in 1924, JMCQ or the Quarterly is the oldest refereed scholarly journal in mass communication and provides leadership in scholarship for the field. It serves all the divisions and interest groups of AEJMC and publishes original articles and book reviews on topics including but not limited to theoretical and methodological developments in journalism and mass communication, international communication, media technologies and society, advertising, public relations, journalism history, media law and policy, media management and economics, political communication and health communication.

JMCQ, welcomes high quality original research submissions from all over the world. Here are some of our recent articles from authors outside the U.S.:
